

Recreation Player Code of Conduct

I understand that doing one's best is more important than winning the game.

I will respect my teammates and agree there is zero tolerance for yelling at or insulting another player.

I will respect and show appreciation for the volunteer coaches, who give their time for my benefit.

I will show respect to my team and coaches by giving my best at practices and at the games no matter what position I play or exercise we perform.

I understand that a positive attitude is a large part of sports, and I will do my best to help my team stay positive.

I will arrive for scheduled games and practices at the time designated by the coach.

I will not argue with the coach or my teammates for any reason. If I have a question or concern, I will talk to the coach before or after practices or games.

I understand that soccer is competitive and that a hard work ethic will be expected.

I understand that if I goof off and distract other players during practices our team will suffer, and it will not be tolerated.

I realize that the team or club can be penalized for my misconduct.

I will inform the coach of any injury or physical disability that may affect my safety.

I will learn and follow the rules of the game and the coach's rules.
